EVIDENCING THE IMPACT OF THE PRIMARY PE AND SPORTS PREMIUM – 2025-26

Details with regard to funding

Total amount carried over from 23/24	£0.00
Total amount allocated for 24/25	£17,190
How much (if any) do you intend to carry over from this total fund into 2025/26?	£0
Total amount of funding for 2025/26. To be spent and reported on by 31st July 2025.	£17,150
The impact of the use of the Grant for 2024-25 has been reviewed and is set out below:	
Having external sports coaches run a lunchtime club for KS1 has helped to increase the enjoyment and engagement of all children in KS1. There is a range of activities on offer and the children are then able to run these games independently during their break time. Having a lunchtime sports club every day has helped to raise the profile of Physical Education across the school. As part of our membership of the Harris Lowe Academy Partnership, our Year 2 children were able to access half a term of basketball coaching which led to children thereafter practising basketball skills during lunch and breaktimes. This increased their enjoyment of the sport. Through the Harris Lowe Academy Partnership, our children participated in external sports competitions, such as multi-skills, dancing and athletics. This supported the development of confidence in the children and they were able to use the skills learnt in PE lessons and other activities. The improvements made to the outdoor sports provision has supported the children in developing gross motor movements and allowed for more opportunities for children to further their personal, social and emotional development.	

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2025/26	**Total fund allocated: £17,150**		**Date Updated: 16.07.2025**	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 18.5%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To increase the physical engagement of all Key Stage 1 children during lunchtime.	A lunchtime sports coach has been employed to deliver physical activity in the KS1 playground every lunchtime. The coach will liaise with the PE lead half termly to review the provision in association with needs identified in PE lessons.	£3,135	An increase in children's enjoyment of physical activity during lunchtime. There is an increase in the % of children on track to meet age related expectations in each year group at the end of the academic year.	The lunchtime sports coach will model activities to the lunchtime staff to develop their knowledge and confidence in delivering physical activity during lunchtimes. Support staff will be supported by PE lead to ensure this is taking place.
Key indicator 2: The profile of sport being raised across the school as a tool for whole school improvement				Percentage of total allocation: 42.4%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To raise the awareness of Physical Education in school, for staff and pupils.	Membership of the Harris Lowe Academy partnership. Children to attend termly sporting events within and outside the borough of Brent organised via the sports partnership and AST links. A specialised sports coach to deliver after school sports clubs to specific groups of children, and in the extended day provision.	£1000 £6,250	Staff are kept up to date with subject developments. All KS1 children are provided with an opportunity to compete and be a sports representative beyond the school setting raising the profile of sport. Children will have the opportunity to develop sportsmanship, skills and knowledge when competing.	PE lead develops a network within and across the borough to share expertise. To ensure all children are accessing this opportunity.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation: 0.9%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To increase the confidence of staff teaching Physical Education. To ensure there is a progression of knowledge, skill and understanding of physical education across the school. To ensure there is a consistent approach to physical education across the school.	The school has purchased the Physical Education scheme 'Complete PE'. This comes with CPD videos for all staff to access, particularly useful for new staff members and ECTs. There are termly reviews of provision and identified CPD opportunities.	£150.00	Staff survey results show staff are confident in the delivery of physical education. Monitoring of physical activity shows progression and increased number of children are at age related expectations at the end of the academic year.	The scheme will continue to be embedded. To develop links with Junior School PE lead so there is progression between Key Stage 1 and Key Stage 2.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 23%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To offer a rich and diverse experience to all children in the school.	New PE equipment and storage.	£2000	All equipment will provide children with the opportunity to further develop their knowledge and skills.	Staff to work in collaboration with children to demonstrate correct usage of equipment.
	The School will host an athlete event.	£1,300	Raise the profile of PE and give the children opportunity to complete activities with a professional athlete.	
	Year 1 children will visit the local football stadium – Wembley Stadium- for a tour and football workshop.	£700	Children will have the chance to tour Wembley Stadium, learn about healthy bodies and experience what it is like on the pitch.	

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation: 5.8%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To have all KS1 children participate in sports competitions in Brent, through the Harris Lowe Academy partnership and our links within the Borough and the All Saints Trust.	To ensure coaches can be provided for children to attend sports events.	£1,000	Children have attended at least one sports event with other schools per term.	To develop links with schools which are within walking distance or accessible via public transport.
Key indicator 6: Purchase of sandpit				Percentage of total allocation: 9.4%
Intent	**Implementation**		**Impact**	**Sustainability and suggested next steps:**
To increase access to a range of outdoor equipment in our EYFS setting to enhance development of gross motor skills.	To ensure a water tray is accessible for all children in EYFS across several areas of the school.	£1615	Children in EYFS will have a higher development rate in gross motor skills. Children are excited by the opportunities provided to develop their fine and gross motor skills.	To ensure sandpit is cared for and can be used by future cohorts.
